Two lives tied together by one loss. When Grace and James each tragically lose an important person in their lives, they didn't expect to find each other.

Grace Hall had it all growing up. A father who loved her and treated her like a queen—that is, until one tragic day took it all away from her. Now confused and not knowing what to do, she decides to leave and find the one person who could make everything better for her.

James Walker is a Marine. It's what he loves to do—until one disastrous day when everything changes, and everything in his life fades to dark. Grace walks in the door, bringing the light back to his life.

Can love survive secrets? Can love survive the pain and the darkness that consumes them?
