Lost In LA

Katie Calhoun

Lost In LA Katie Calhoun

JC just wants to go home. Ever since her mom moved them to sunny California, her life has totally sucked. Not only does everyone call her "Cowgirl" at her Los Angeles high school, but JC just can't seem to pay attention in class. The assistant principal seems to have it in for her and the mean girls are unbearable. While JC struggles with being different, a diagnosis of Attention Deficit Disorder (ADD) rocks her world. The kindness of geeky Arnaldo and Lilith the goth offer JC some sanity, as does the attention of Jason, the adorable jock. None of that seems to resolve the real problem.

From reader reviews:

Linda Pinkerton:

Information is provisions for anyone to get better life, information presently can get by anyone on everywhere. The information can be a expertise or any news even a problem. What people must be consider whenever those information which is from the former life are hard to be find than now could be taking seriously which one is appropriate to believe or which one the resource are convinced. If you find the unstable resource then you understand it as your main information you will have huge disadvantage for you. All of those possibilities will not happen in you if you take Lost In LA as your daily resource information.

Bertha Chang:

Reading a e-book can be one of a lot of activity that everyone in the world adores. Do you like reading book so. There are a lot of reasons why people enjoy it. First reading a publication will give you a lot of new details. When you read a guide you will get new information since book is one of many ways to share the information or their idea. Second, studying a book will make anyone more imaginative. When you examining a book especially hype book the author will bring you to imagine the story how the people do it anything. Third, you can share your knowledge to other people. When you read this Lost In LA, you could tells your family, friends as well as soon about yours publication. Your knowledge can inspire the others, make them reading a guide.

Sharon Garcia:

As we know that book is vital thing to add our understanding for everything. By a guide we can know everything we really wish for. A book is a range of written, printed, illustrated or even blank sheet. Every year had been exactly added. This reserve Lost In LA was filled regarding science. Spend your spare time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading some sort of book. If you know how big benefit from a book, you can sense enjoy to read a book. In the modern era like now, many ways to get book you wanted.

Shay Price:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Lost In LA can make you feel more interested to read.
