Sarah Mayfield was a gorgeous girl hiding beneath the shyness. Her long black hair and deep emerald eyes would have any guy worshipping at her feet, except for one small detail. Sarah never learned to show off her beauty and rather hid it behind her tight bun and conservative clothing. Despite her father Ray's encouragement, she just can't seem to come out of her shell. Working as a mild-mannered librarian, she bided her time in the solace of fiction, waiting for just the right man to come into her life and sweep her off her feet, loving her for her personality more than anything else.

Dan Mayfield couldn't seem to keep himself out of trouble. From the age of four when his father left his mom to raise him alone he had been getting into heat, from scuffs with the law to woman problems. Though his step-father Ray had remained a large influence in his life even after their parent's divorced, Dan continued his troublesome, womanizing ways into young adulthood. His sandy blonde hair and blue eyes, paired with a muscular figure, made the ladies chase him, until of course Sarah reappeared in his life.

Route 66, the ultimate backroads adventure, leads from east coast to west, offering tourists and travelers alike many adventures that lay off the beaten path. The perfect chance for Sarah to let her hair down and take the scenic route to a job interview in sunny California, she soon finds herself in a heap of trouble from a misunderstanding at a truck stop. Just when she thinks she is going to land herself on the back of a milk carton, an unlikely hero appears and jumps to her aid. Her step-brother Dan, on a bike tour, notices her from across the stop and steps in to assist. The two attempt to work out their childhood differences and the aftermath of their parents recent divorce as Sarah has no choice but to head the rest of her adventure alongside Dan. The romance of the open road coursing through her blood, Sarah begins to find her knight in shining armor wears leather, and soon the wild side overtakes them both. Can the two keep up this whirlwind love affair?
