**Singled Out: Why Celibacy Must Be Reinvented in Today's Church** Christine Colón, Bonnie Field  
Authors Christine Colón and Bonnie Field thought that by a certain age they would each be married. But they watched that age come and go and still no walks down the aisle. In *Singled Out*, they reflect on their experience and that of an increasing number of Christians. Rejecting overly simplistic messages from the church about "waiting for marriage," they explore a deeper understanding of celibacy that affirms singles' decision to be sexually pure, acknowledges their struggles, and recognizes their importance in the church community. Thoughtful and accessible, *Singled Out* is an invaluable voice of realistic encouragement for any single as well as an important tool for church leaders and others concerned with mission and ministry for singles.
