The Wanderer, a mysterious dark stranger, comes upon the small town of Mystic Falls and suddenly takes an intense interest in Elena Gilbert when they briefly meet in her bedroom. The Wanderer decides to take pity on her and not compel her, leaving himself feeling something in the pit of his stomach, and he doesn't like it. The Wanderer undergoes tortuous flashbacks from a different time and place in his lifetime. The flashbacks makes him both terrified and weak on the inside. The Wanderer and Elena become closer as time progresses and they spend moments alone together. But what can Elena do when something terrible happens to The Wanderer? Can she stop it, or will she just have to give him up and let her life slip away without him?
