A “G” rated compilation avoiding harsh swear words; yet is a group of relevant quotes that vividly tell how our fellow Humans live, act, dream and hopes yet to be, in our life's journey. For life IS the journey. From the time we first scribbled on cave walls humans have attempted to put into writing their ideas, feelings, sites, sounds and their lives into a lasting state. When words and sentences came along our sophistication improved and today with advent of internet there are unlimited possibilities to gather and keep the most fun and insightful thoughts we have had. This compilation has been in the works since 1983 and is now available for purchase and keepsake. It is a large grouping of quotes from the Bible to recent modern times including some of my own insights into family life, relationships, sex, love and marriage. It is a fun and comprehensive list that I treasure and use often to lift spirits up, or to help make my point in a discussion. Finding the right quote for the right situation has never been easier. Also I have found that I just enjoy reading what others have thought about these subjects throughout history and engaging others with their interpretations on the quotes. In literature often a single string of words can give a Universe of meaning within those who choose to delve into the mystery of communication between the sexes and between lovers. This is a must have reference and readable book for enjoyment and usefulness.
