The Red Queen: A Novel (Cousins War Series Book 2) Philippa Gregory

The inspiration for the critically acclaimed Starz miniseries *The White Queen*, #1 *New York Times* bestselling author Philippa Gregory brings to life Margaret Beaufort, heiress to the red rose of Lancaster, who charts her way through treacherous alliances to take control of the English throne.

Margaret Beaufort never surrenders her belief that her Lancaster house is the true ruler of England, and that she has a great destiny before her. Married to a man twice her age, quickly widowed, and a mother at only fourteen, Margaret is determined to turn her lonely life into a triumph. She sets her heart on putting her son on the throne of England regardless of the cost to herself, to England, and even to the little boy. Disregarding rival heirs and the overwhelming power of the York dynasty, she names him Henry, like the king; sends him into exile; and pledges him in marriage to her enemy Elizabeth of York's daughter. As the political tides constantly move and shift, Margaret masterminds one of the greatest rebellions of all time—all the while knowing that her son has grown to manhood, recruited an army, and awaits his opportunity to win the greatest prize in all of England.

The Red Queen is a novel of conspiracy, passion, and coldhearted ambition, the story of a proud and determined woman who believes that she alone is destined, by her piety and lineage, to shape the course of history.

From reader reviews:

Ryan Daggett:

Have you spare time for the day? What do you do when you have a lot more or little spare time? That's why, you can choose the suitable activity intended for spend your time. Any person spent their particular spare time to take a move, shopping, or went to the actual Mall. How about open or maybe read a book called The Red Queen: A Novel (Cousins War Series Book 2)? Maybe it is to become best activity for you. You already know beside you can spend your time with the favorite's book, you can smarter than before. Do you agree with their opinion or you have different opinion?

David Simpson:

What do you think about book? It is just for students as they are still students or the idea for all people in the world, the actual best subject for that? Only you can be answered for that problem above. Every person has distinct personality and hobby for each and every other. Don't to be compelled someone or something that they don't desire do that. You must know how great as well as important the book The Red Queen: A Novel (Cousins War Series Book 2). All type of book are you able to see on many options. You can look for the internet sources or other social media.

Otis Kozlowski:

Nowadays reading books be a little more than want or need but also work as a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book which improve your knowledge and information. The information you get based on what kind of guide you read, if you want send more knowledge just go with knowledge books but if you want experience happy read one along with theme for entertaining for instance comic or novel. Often the The Red Queen: A Novel (Cousins War Series Book 2) is kind of reserve which is giving the reader unforeseen experience.

Nancy Maxfield:

The reason? Because this The Red Queen: A Novel (Cousins War Series Book 2) is an unordinary book that the inside of the book waiting for you to snap the item but latter it will distress you with the secret the idea inside. Reading this book beside it was fantastic author who also write the book in such remarkable way makes the content on the inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of benefits than the other book have such as help improving your ability and your critical thinking way. So , still want to hold off having that book? If I ended up you I will go to the book store hurriedly.
