## Arabic version / Translated to Arabic: The Purpose-Driven Church: Growth Without Compromising Your Message & Mission Rick Warren

Translated to Arabic Language! For the first time!!! The thesis of The Purpose Driven Church is that when churches think first about their health, growth is sure to follow. "If your church is healthy," writes Rick Warren, "growth will occur naturally. Healthy, consistent growth is the result of balancing the five biblical purposes of the church." These five purposes are to "Love the Lord with all your heart," "Love your neighbor as yourself," "Go and make disciples," "[Baptize] them," and "[Teach] them to obey." And those purposes can only be accomplished, argues Warren, when church leaders stop thinking about church-building programs and shift their focus to a "people-building process" involving fellowship, discipleship, worship, and evangelism. Warren, the founder of the fastest-growing Baptist church in American history, has taught seminars to thousands of pastors from all over the world, many of whom have successfully implemented his techniques. Product Description This is a five-point strategy for attracting and spiritually maturing the unchurched, from the pastor of Saddleback Church.
