## Solomon and the Ant: And Other Jewish Folktales

A treasure trove of forty-three religious, wisdom, riddle, and trickster Jewish folktales that have been told near the hearth, at the table, and in the synagogue for centuries. Sheldon Oberman, a master storyteller, retells the tales with simplicity and grace, making them perfect for performing and reading aloud. Peninnah Schram, herself an acclaimed storyteller and folklorist, provides lively notes and commentary that examine the meaning of each tale and its place in history.
