Born to Battle: Grant and Forrest--Shiloh, Vicksburg, and Chattanooga Jack Hurst

Born to Battle examines the Civil War's complex and decisive western theater through the exploits of its greatest figures, Ulysses S. Grant and Nathan Bedford Forrest. These two opposing giants squared off in some of the most epic campaigns of the war, starting at Shiloh and continuing through Perryville, Vicksburg, Chickamauga, and Chattanooga—battles in which the Union would slowly but surely divide the western Confederacy, setting the stage for the final showdowns of the bloody, protracted conflict.

Grant is widely regarded as the man most responsible for winning the war for the Union, Forrest as the Confederacy's most fearsome defender in the West. Both men had risen through their respective hierarchies thanks to their cunning and military brilliance, and despite their checkered pasts. Grant and Forrest were both "lower"-born officers who struggled to overcome particular, dubious reputations (Forrest's as a semi-literate rustic and Grant's as a doltish drunkard). In time, however each became renowned for his intelligence, resourcefulness, and grit. Indeed, as Hurst shows, their familiarity with hardship gave both men a back-against-the-wall mindset that would ultimately determine their success—both on the battlefield, and off it.

Beginning with the Union victory at Tennessee's Fort Donelson in February 1862 (when Grant handed the Union the largest force ever captured on American soil, refurbishing his reputation and earning himself the nickname "Unconditional Surrender Grant"), Hurst follows both men through the campaigns of the next twenty months, showing how this critical period—and these two unequalled leaders—would change the course of the war. Again and again, Grant's hardscrabble tactics saved Federal forces from the disastrous decisions of his fellow commanders, who seemed unable to think outside of the West Point playbook. Just as often, Forrest's hot temper and wily, frontier know-how would surprise his Federal adversaries and allow him to claim astonishing victories on behalf of the Confederacy. But as Grant pressed south and east over the course of these twenty months, routing Confederate forces at such critical strongholds as Corinth, Vicksburg ("Gibraltar of the Mississippi"), and Chattanooga, the systemic differences between the North and South began to tell. The more inclusive, meritocratic Union allowed Grant to enter into the military's halls of decision, whereas the proudly aristocratic Confederate high command barred Forrest from contributing his input. As Hurst vividly demonstrates, that disparity affected, and possibly dictated, the war's outcome. Thoroughly disgusted with his disdainful superiors and their failure to save his home state of Tennessee from the clutches of the Union, Forrest eventually requested a transfer to a backwater theater of the war. Grant, by contrast, won command of the entire Union army following his troops' stunning performance at Chattanooga, and would go on to lead the North to victory over the forces of another exceptional Southern general: Robert E. Lee.

An utterly American tale about class, merit, and their role in one of the most formative wars in the nation's history, *Born to Battle* offers an impassioned account of two visionary Civil War leaders and the clashing cultures they fought—in some cases, quite ironically—to protect. Hurst shows how Grant and Forrest brought to the battlefield the fabled virtues of the American working-class: hard work, ingenuity, and intense determination. Each man's background contributed to his triumphs on the battlefield, but the open-mindedness of his fellow commanders proved just as important. When the North embraced Grant, it won a stalwart defender. When the South rejected Forrest, by contrast, it sealed its fate.

The book Born to Battle: Grant and Forrest--Shiloh, Vicksburg, and Chattanooga is not only giving you more new information but also for being your friend when you experience bored. You can spend your own personal spend time to read your publication. Try to make relationship with all the book Born to Battle: Grant and Forrest--Shiloh, Vicksburg, and Chattanooga. You never really feel lose out for everything in the event you read some books.

Colton Fierros:

In this 21st century, people become competitive in each and every way. By being competitive today, people have do something to make these people survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. Yes, by reading a guide your ability to survive increase then having chance to endure than other is high. In your case who want to start reading a book, we give you this particular Born to Battle: Grant and Forrest--Shiloh, Vicksburg, and Chattanooga book as basic and daily reading e-book. Why, because this book is more than just a book.

Christopher Decker:

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's spirit or real their hobby. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Born to Battle: Grant and Forrest--Shiloh, Vicksburg, and Chattanooga can make you really feel more interested to read.
