## **Saving Sky** Diane Stanley

Although the country is at war, terrorists strike at random, and widespread rationing is in effect, thirteen-year-old Sky Brightman is remarkably untouched by it all. She and her family live off the grid on sixty acres of rural New Mexico ranch land with chores to do, horses to ride, and no television or internet to bring disturbing news into their home.

But when a string of mysterious arrests begins and Sky's new friend, Kareem, becomes a target, she is finally forced to confront the world in all its complexity. With courage, ingenuity, and fierce determination, Sky meets injustice head-on and shows the tremendous impact one person can have on her community.
