NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a laCarte also offer a great value—this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Used books, rentals, and purchases made outside of Pearson

If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase.

Helps learners choose, change, or confirm career choices

The Career Fitness Program is firmly focused on today's career realities and economy – with sufficient breadth to encourage change and growth for learners of all ages, backgrounds, and circumstances. User-friendly, easy to read, and appropriate for all learners, it provides three teaching and learning career handles—choice, change, and confirmation—that help students find their career ‘fit’. For career choice, the book follows the standard sequence of career search and decision-making issues—Personal Assessment, World of Work, and Job Search. For career change, it offers critical questions that go beyond facts and figures to help learners focus on “What’s in it for me?” especially when changing careers. For career confirmation, it provides direction, understanding, and reassurance, showing learners how skills acquired in college are transferable to the world of work.

Also Available with MyStudentSuccessLab™

This title is also available with MyStudentSuccessLab—an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a plan that helps them better absorb course material and understand difficult concepts.
