Finger painting, learning addition and a school trip to the zoo are just some of the universal moments of childhood that a busy boy experiences during his week.

Inspired by the longstanding favorite, *Brown Bear, Brown Bear* (Martin/Carle), the story uses predictable language to delightfully teach the days of the week.

While being a quick read for busy parents, children will be able to "read" along with the simple, fun text while enjoying the charming illustrations.

With its singsong, question and answer, chantable verse, it is suitable for the English language learner

The segments of the week are differentiated with drawings for the weekdays depicting school events and weekends featuring activities at home.

Grade level appropriate sight words are used.

\*Readers please note: ebook 17 interior pages; paperback 34 interior pages.
