**The Haight: Love, Rock, and Revolution** Joel Selvin

**Covering one of the most unforgettable moments in modern history—and including images of Janis Joplin, The Grateful Dead, Bob Dylan, Jimi Hendrix, Timothy Leary, Allen Ginsburg, and more—*The Haight* is an indispensable gallery of legendary photographer Jim Marshall's Sixties-era San Francisco photography.**

The counter-culture movement of the 1960s is one of the most endlessly examined moments of the twentieth century. Widely regarded as the cradle of revolution, San Francisco's Haight-Ashbury grew from a small neighborhood to a worldwide phenomenon—a concept that extends far beyond the boundaries of the intersection itself.

Jim Marshall visually chronicled this area as perhaps no one else did. Renowned for his portraits of some of the greatest musicians of the era, Marshall covered Haight-Ashbury with the same unique eye that allowed him to amass a staggering archive of music photography and Grammy recognition for his work. In this one-of-a-kind book, the full extent of Marshall's Haight-Ashbury photography is stunningly displayed. Written by bestselling music journalist Joel Selvin, the story behind each of these incomparable images is disclosed through a revealing narrative, lending the images a fascinating context and prospective.

Bold and beautifully crafted, *The Haight* offers fresh insight into the Summer of Love, Haight-Ashbury, and beyond.
