# For the Time Being

Annie Dillard

**For the Time Being** Annie Dillard  
National Bestseller

"Beautifully written and delightfully strange--. As earthy as it is sublime, **For the Time Being** is, in the truest sense, an eye- opener."--*Daily News*

From Annie Dillard, the Pulitzer Prize-winning author of **Pilgrim at Tinker Creek** and one of the most compelling writers of our time, comes **For the Time Being**, her most profound narrative to date. With her keen eye, penchant for paradox, and yearning for truth, Dillard renews our ability to discover wonder in life's smallest--and often darkest--corners.

Why do we exist? Where did we come from? How can one person matter? Dillard searches for answers in a powerful array of images: pictures of bird-headed dwarfs in the standard reference of human birth defects; ten thousand terra-cotta figures fashioned for a Chinese emperor in place of the human court that might have followed him into death; the paleontologist and theologian Teilhard de Chardin crossing the Gobi Desert; the dizzying variety of clouds. Vivid, eloquent, haunting, **For the Time Being** evokes no less than the terrifying grandeur of all that remains tantalizingly and troublingly beyond our understanding.

"Stimulating, humbling, original--. [Dillard] illuminate[s] the human perspective of the world, past, present and future, and the individual's relatively inconsequential but ever so unique place in it."--*Rocky Mountain News*
