Manhandling is a full guide to categorizing men, finding the right man, reshaping him, and the proper treatment and care of him for best results.

Warning: If you are in a happy relationship, and wish to remain blissfully unaware of the truth about your man, it may be best to avoid reading this manual at all costs.

“it is not so much that he believes the other grass is greener, it is just that if the girl next door invites him over to play in her yard, he will just because he can. It is as simple as that.”
