Magdalena

Cecilia Manguerra Brainard

Magdalena Cecilia Manguerra Brainard

Cecilia Manguerra Brainard has written an ambitious novel of forbidden love. Set against the turbulent history of East Asia in the twentieth century and by turns erotic and tragic, *Magdalena* vividly depicts three generations of strong Filipino women.

Aimee Liu, author of *Cloud Mountain*

I have been looking for a good story about the war. N.V.M. Gonzalez, author of *The Bread of Salt and Other Stories* (upon reading "Winning Hearts and Minds," one chapter of *Magdalena*.) With her second novel, *Magdalena*, Cecilia Brainard adds new portraits to the gallery in Philippine literature. She has always had a strong sense of place. Here, she provides an inner landscape as well. Together, these provide the coordinates for the family secrets that bind the characters as securely as bloodlines.

Linda Ty-Casper, author of *The Stranded Whale*

In this novel, Brainard blends a series of multiple perspectives to create a polyphony of voices that enacts Philippine society before and during the Second World War. The narrative is a nuanced vision of the workings of culture, social class, obligation and the Filipino personality.

Rocio G. Davis, author of *Transcultural Reinventions: Asian American and Asian Canadian Short Story Cycles*

About Brainard's first novel *When the Rainbow Goddess Wept*

-- The strengthening of the national spirit; the loss of innocence in two generations -- these themes are explored by the author, who was born in the Philippines, with persuasive conviction and stark realism.
Publishers Weekly

A fast-paced, sensitively written first novel about the psychological damage war wreaks, seen through the eyes of an intelligent, resilient young girl . . . Brainard's appealing characters are larger-than-life people who change before our eyes, yet remain utterly convincing.

Kirkus Review

Stories of war are perhaps most compelling when told through the eyes of children, whose innocence is always so tragically incongruous to the adult madness that rages around them.

Los Angeles Times

From reader reviews:

Rose Villegas:

Reading a reserve can be one of a lot of activity that everyone in the world loves. Do you like reading book and so. There are a lot of reasons why people enjoyed. First reading a reserve will give you a lot of new info. When you read a publication you will get new information since book is one of several ways to share the information or perhaps their idea. Second, reading through a book will make an individual more imaginative. When you reading through a book especially tale fantasy book the author will bring you to imagine the story how the characters do it anything. Third, you may share your knowledge to other individuals. When you read this Magdalena, you are able to tells your family, friends in addition to soon about yours reserve. Your knowledge can inspire different ones, make them reading a guide.

Jonathan McLean:

Reading a reserve tends to be new life style in this particular era globalization. With reading through you can get a lot of information that can give you benefit in your life. With book everyone in this world may share their idea. Books can also inspire a lot of people. Plenty of author can inspire their reader with their story or perhaps their experience. Not only situation that share in the guides. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some investigation before they write with their book. One of them is this Magdalena.

Daniel White:

With this era which is the greater man or woman or who has ability to do something more are more important than other. Do you want to become one among it? It is just simple solution to have that. What you should do is just spending your time not much but quite enough to experience a look at some books. On the list of books in the top list in your reading list is usually Magdalena. This book and that is qualified as The Hungry Hills can get you closer in getting precious person. By looking upwards and review this book you can get many advantages.

Jerry Bell:

That guide can make you to feel relax. That book Magdalena was colorful and of course has pictures on there. As we know that book Magdalena has many kinds or category. Start from kids until youngsters. For example Naruto or Private eye Conan you can read and think you are the character on there. Therefore not at all of book usually are make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book to suit your needs and try to like reading that will.
