*Ernest Gellner*

**Nations and Nationalism (New Perspectives on the Past)** Ernest Gellner

## From reviews of the first edition:

"Brilliant, provocative . . . a great book."-*New Statesman*

"An important book . . . It is a new starting line from which all subsequent discussions of nationalism will have to begin."-*New Society*

"A better explanation than anyone has yet offered of why nationalism is such a prominent principle of political legitimacy today. This is a terse and forceful work . . . the product of great intellectual energy and an impressive range of knowledge."-*Times Literary Supplement*

"Periodically, an important book emerges that makes us, through the uniqueness of its theory, perceive history as we have not seen it before. Ernest Gellner has written such a volume. Students of nationalism will have to come to grips with his interpretation of the causes for the emergence of nationalism, since he has declared that most of the previous explanations are largely mythical."-*American Historical Review*

First published in 1983, *Nations and Nationalism* remains one of the most influential explanations of the emergence of nationalism ever written. This updated edition of Ernest Gellner's now-canonical work includes a new introductory essay from John Breuilly, tracing the way the field has evolved over the past two decades, and a bibliography of important work on nationalism since 1983.

### **From reader reviews:**

#### **George Cornelius:**

Nowadays reading books be a little more than want or need but also get a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The info you get based on what kind of guide you read, if you want attract knowledge just go with schooling books but if you want experience happy read one along with theme for entertaining for example comic or novel. The particular Nations and Nationalism (New Perspectives on the Past) is kind of reserve which is giving the reader erratic experience.

#### **Leslie Heidelberg:**

Information is provisions for individuals to get better life, information these days can get by anyone at everywhere. The information can be a understanding or any news even a concern. What people must be consider when those information which is from the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you obtain the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take Nations and Nationalism (New Perspectives on the Past) as your daily resource information.

#### **Jennifer Rogers:**

Do you one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Attempt to pick one book that you just dont know the inside because don't assess book by its protect may doesn't work here is difficult job because you are scared that the inside maybe not as fantastic as in the outside seem likes. Maybe you answer can be Nations and Nationalism (New Perspectives on the Past) why because the wonderful cover that make you consider with regards to the content will not disappoint you. The inside or content is fantastic as the outside or perhaps cover. Your reading 6th sense will directly guide you to pick up this book.

#### **Hector Medlin:**

This Nations and Nationalism (New Perspectives on the Past) is great e-book for you because the content which can be full of information for you who always deal with world and possess to make decision every minute. This specific book reveal it info accurately using great coordinate word or we can claim no rambling sentences inside. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tough core information with lovely delivering sentences. Having Nations and Nationalism (New Perspectives on the Past) in your hand like obtaining the world in your arm, data in it is not ridiculous one particular. We can say that no guide that offer you world throughout ten or fifteen tiny right but this reserve already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. hectic do you still doubt that?
