It's a thoroughly new textile art, an ingenious mix of quilting and origami! The animals, leaves, flowers, and figures created for centuries in Japan out of two-sided colored paper are reinterpreted in fabric relief--and the resulting quilt blocks can become exquisitely stitched items. Just follow these designs to create irresistibly tactile sculptural quiltagami pillows, blankets, ornaments, and more. Add bead and ribbon embellishments for even more detail. You'll go wild for this original art form!
