The Realm of the Hungry Ghosts consists of two parts that complement one another. The first is a prose essay on what has gone wrong with Western thinking and the second is a collection of short poems called Small Lines on the Great Earth that offers a vision of how the harm can be healed. The poet, Malcolm Ritchie has drawn on his perspective of someone who has been intimately involved with Japanese culture and in particular the practice of Zen Buddhism

#### **Kathryn Hill:**

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Realm of Hungry Ghosts can make you truly feel more interested to read.
