Spiders: Learning to Love Them Lynne Kelly

When hordes of giant spiders invaded Lynne Kelly's dreams, she decided it was time to overcome her arachnophobia by getting to know the creature intimately. This extensive introduction answers every basic question about spiders, including articles on web-building, the most venomous and dangerous species, and, of course, arachnid romance. An illustrated guide to identifying webs, a list of useful spider-watching equipment, observations sheets, and dozens of photographs of common species are also provided. Along the way, Lynne explains how she overcame her own arachnophobia, and provides tips and hints on how any arachnophobe can do the same.
