American Sign Language the Easy Way Ed. D. David A. Stewart

Current estimates have more than one million people using American Sign Language (ASL) in the United States, including approximately 450,000 deaf people. As growing numbers of deaf students are integrated into standard schools, the need for ASL interpreters continues to increase. Today, many public education systems offer an ASL course as a language elective in their curriculum, and this book--which can be used to teach both interpreters and the deaf--is an ideal text for such courses. Following a general introduction to American Sign Language and Deaf Culture, the author explains the use of "facial grammar" as a preliminary step to learning and understanding manual signing. Two succeeding chapters present the first eleven key grammatical rules of ASL. The 36 lessons that follow are divided into four groups that put these rules into practice and introduce additional rules. All lessons conclude with a practice session that reviews the lesson's material and progressively develops the student's proficiency in communicating in ASL. Following each of the four groups of nine lessons is a brief chapter dealing with Deaf Culture. The book's many line drawings illustrate approximately 720 ASL signs and their multiple meanings. The author has focused the text to make learning American Sign Language as easy as it is useful, both for instructors and students.

From reader reviews:

Delia Black:

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to know everything in the world. Each book has different aim or goal; it means that publication has different type. Some people truly feel enjoy to spend their time and energy to read a book. They can be reading whatever they get because their hobby is definitely reading a book. What about the person who don't like examining a book? Sometime, man or woman feel need book whenever they found difficult problem or even exercise. Well, probably you will want this American Sign Language the Easy Way.

Terry Holmes:

This American Sign Language the Easy Way are reliable for you who want to be described as a successful person, why. The key reason why of this American Sign Language the Easy Way can be one of the great books you must have will be giving you more than just simple examining food but feed you with information that probably will shock your earlier knowledge. This book is actually handy, you can bring it everywhere and whenever your conditions both in e-book and printed kinds. Beside that this American Sign Language the Easy Way forcing you to have an enormous of experience such as rich vocabulary, giving you trial of critical thinking that could it useful in your day activity. So , let's have it appreciate reading.

Rick Briones:

Is it an individual who having spare time after that spend it whole day by watching television programs or just lying down on the bed? Do you need something totally new? This American Sign Language the Easy Way can be the reply, oh how comes? It's a book you know. You are so out of date, spending your free time by reading in this new era is common not a geek activity. So what these textbooks have than the others?

Stacy Brooks:

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this American Sign Language the Easy Way can make you really feel more interested to read.
