L'Alchimiste: Roman (French Edition) Paulo Coelho

One night, a young pastor has a repetitive dream: a hidden treasure that lies close to the pyramids of Egypt. The young man decides to follow his dream and confront the great mysteries that accompany man from the beginning of time: the signals of God, the mysterious soul of the world, where anyone can enter and hear his own heart. Considered one of the oldest and most secret arts of humanity, alchemy is discussed for the first time in direct and simple language.

Une certaine nuit, un jeune berger a un rêve qui se répète: un trésor occulte, gardé près des Pyramides d'Égypte. Le garçon décide de suivre son rêve et se voit face aux grands mystères qu'accompagnent l'Homme depuis le début des temps: les signes de Dieu, la mystérieuse Âme du monde, dans laquelle n'importe qui peut pénétrer s'il écoute son propre cœur. Considéré l'un des arts les plus anciens et les plus secrets de l'Humanité, l'Alchimie est abordée pour la première fois dans un langage direct et simple.
