Mother Teresa: Come Be My Light: The Private Writings of the Saint of Calcutta Mother Teresa
“If I ever become a Saint—I will surely be one of “darkness.” I will continually be absent from Heaven—to light the light of those in darkness on earth.”
–Mother Teresa of Calcutta

During her lifelong service to the poorest of the poor, Mother Teresa became an icon of compassion to people of all religions; her extraordinary contributions to the care of the sick, the dying, and thousands of others nobody else was prepared to look after has been recognized and acclaimed throughout the world. Little is known, however, about her own spiritual heights or her struggles. This collection of letters she wrote to her spiritual advisors over decades, almost all of which have never been made public before, sheds light on Mother Teresa's interior life in a way that reveals the depth and intensity of her holiness for the first time. A moving chronicle of her spiritual journey—including moments, indeed years, of utter desolation—these letters reveal the secrets she shared only with her closest confidants. She emerges as a classic mystic whose inner life burned with the fire of charity and whose heart was tested and purified by an intense trial of faith, a true dark night of the soul.
