Roman Urbanism: Beyond The Consumer City

The contributors to this volume provide an accessible and jargon-free insight into the notion of the Roman city; what shaped it, and how it both structured and reflected Roman society. *Roman Urbanism* challenges the established economic model for the Roman city and instead offers original and diverse approaches for examining Roman urbanization, bringing the Roman city into the nineties. *Roman Urbanism* is a lively and informative volume, particularly valuable in an age dominated by urban development.
