Selected Poems (Penguin Classics) Robert Louis Stevenson

The author of *Treasure Island* and *Dr Jekyll and Mr Hyde* is known all over the world as a master storyteller, yet his achievements as a poet have been strangely neglected. This book reveals how much we have been missing. Fascinated by a wide variety of verse techniques, Robert Louis Stevenson produced superb work in styles ranging from folk ballads to witty conversational offerings for his friends. Pieces using Robert Burns's stanza form and dialect rank among the most attractive Scots poetry of the nineteenth century. Angus Calder has brought together many uncollected poems, substantial extracts from the published collections and the complete *Child's Garden of Verse* (1885), an extraordinarily evocative picture of childhood loneliness, visions and fears. Far more than in his famous novels, it was here that Stevenson felt able to give direct expression to his deepest feelings about friendship, love and nostalgia; this definitive anthology captures a compelling and utterly individual voice.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
