The Immortals Series Books 1-3 Alyson Noël

Enter the realm of The Immortals, Alyson Noël's young adult series hailed as "addictive," "beautiful," "haunting" and "mesmerizing" with this exclusive three book collection containing the novels *Evermore*, *Blue Moon* and *Shadowland*.

When a horrible accident claimed the lives of her family, sixteen-year-old Ever discovers she can see auras, hear people's thoughts, and know a person's life story by touch. Going out of her way to shield herself from human contact to suppress her abilities has branded her as a freak at her new high school—but everything changes when she meets Damen Auguste.

Damen is gorgeous, exotic and wealthy. He's the only one who can silence the noise and random energy in her head—wielding a magic so intense, it's as though he can peer straight into her soul. As Ever is drawn deeper into his enticing world of secrets and mystery, she's left with more questions than answers. And she has no idea just who he really is—or *what* he is. The only thing she knows to be true is that she's falling deeply and helplessly in love with him.
