Evolving Dharma: Meditation, Buddhism, and the Next Generation of Enlightenment

Jay Michaelson

Evolving Dharma: Meditation, Buddhism, and the Next Generation of Enlightenment Jay Michaelson
Evolving Dharma is the definitive guide to the meditation revolution. Fearless, unorthodox, and irreverent scholar and activist Jay Michaelson shows how meditation and mindfulness have moved from ashrams and self-help groups to classrooms and hospitals, and offers unusually straight talk about the “Big E”—enlightenment. Michaelson introduces us to maverick brainhackers, postmodern Buddhist monks, and cutting-edge neuroscientists and shares his own stories of months-long silent retreats, powerful mystical experiences, and many pitfalls along the way. *Evolving Dharma* is a must-read for the next-generation meditator, the spiritually cynical, and the curious adventurer in all of us.
