The weather outside is frightful, but the cabin is getting pretty hot. Minnesota Christmas, Book 1 Stylist Frankie Blackburn never meant to go to Logan, Minnesota, but his malfunctioning GPS decided otherwise, and a record-breaking snowfall ensures he won't be heading back to Minneapolis anytime soon. Being rescued by three sexy lumberjacks is fine as a fantasy, but in reality the biggest of the bears is awfully cranky and seems ready to gobble Frankie right up. Marcus Gardner wasn't always a lumberjack. Once a high-powered Minneapolis lawyer, he's burned out and back home in Logan to lick his wounds, not play with a sassy city twink who might as well have stepped directly out of his past. As the north winds blow and guards come down, Frankie and Marcus find they have a lot more in common than they don't. Making a relationship last beyond a snowstorm could prove impossible when one man won't live in the country and the other won't return to the city. Yet the longer it snows, the deeper they fall in love, and all they want for Christmas is each other. Warning: Contains power outages, excessive snowfall, and incredibly sexy bears.
