Ogimawkwe Mitigwaki (Queen of the Woods) (American Indian Studies) Simon Pokagon

Simon Pokagon, the son of tribal patriarch Leopold Pokagon, was a talented writer, advocate for the Pokagon Potawatomi community, and tireless self-promoter.

In 1899, shortly after his death, Pokagon's novel *Ogimawkwe Mitigwaki (Queen of the Woods)*—only the second ever published by an American Indian—appeared. It was intended to be a testimonial to the traditions, stability, and continuity of the Potawatomi in a rapidly changing world. Read today, *Queen of the Woods* is evidence of the author's desire to mark the cultural, political, and social landscapes with a memorial to the past and a monument to a future that included the Pokagon Potawatomi as distinct and honored people.

This new edition offers a reprint of the original 1899 novel with the author's introduction to the language and culture of his people. In addition, new accompanying materials add context through a cultural biography, literary historical analysis, and linguistic considerations of the unusual text.
