Tales From Beyond Tomorrow: Volume One (Volume 1) John Paul Catton

What strange fate awaits you ... beyond tomorrow? This lavishly illustrated collection of short stories, novellas and comic strips will take you on a mind-bending tour of alternative history, where alterations of events and technology have produced worlds eerily different from our own. From a traumatized Spiritualist medium trying to redeem himself in a bizarre Steampunk London, to otherworldly angels that haunt the trenches of World War I ... from a team of super-powered vigilantes fighting to keep order in a seventies New York City gone mad, to a TV evangelist preaching to an environmentally devastated Europe ... these stories will propel you from one reality to another, like a giant cosmic pinball machine.
