The Dovekeepers: A Novel Alice Hoffman

Alice Hoffman's bestselling, spellbinding tale of four extraordinarily bold, resourceful, and sensuous women in Masada in 70 A.D. will be a four-hour miniseries airing on CBS and produced by Roma Downey and Mark Burnett, the married team behind the History Channel's Emmy Award-winning *The Bible* and Fox's feature film *Son of God*.

Nearly 2,000 years ago, nine hundred Jews held out for months against armies of Romans on Masada, a mountain in the Judean desert. According to the ancient historian Josephus, two women and five children survived. Based on this tragic and iconic event, Hoffman's novel is a spellbinding tale of four extraordinarily bold, resourceful, and sensuous women, each of whom has come to Masada by a different path.

The lives of these four complex and fiercely independent women intersect in the desperate days of the siege. All are dovekeepers, and all are also keeping secrets—about who they are, where they come from, who fathered them, and whom they love. *The Dovekeepers* is Alice Hoffman's masterpiece.
