## **The Spanish Gypsy** George Eliot

Mary Ann Evans (22 November 1819 – 22 December 1880; alternatively "Mary Anne" or "Marian"), known by her pen name George Eliot, was an English novelist, journalist, translator and one of the leading writers of the Victorian era. She is the author of seven novels, including *Adam Bede* (1859), *The Mill on the Floss* (1860), *Silas Marner* (1861), *Middlemarch* (1871–72), and *Daniel Deronda* (1876), most of them set in provincial England and known for their realism and psychological insight. Readers in the Victorian era particularly praised her books for their depictions of rural society, for which she drew on her own early experiences, and she shared with Wordsworth the belief that there was much interest and importance in the mundane details of ordinary country lives. Eliot did not, however, confine herself to her bucolic roots. *Romola*, a historical novel set in late 15th century Florence and touching on the lives of several real persons such as the priest Girolamo Savonarola, displays her wider reading and interests. In *The Spanish Gypsy*, Eliot made a foray into verse, creating a work whose initial popularity has not endured.
