God is a God of Protection, Provision, and Prosperity. As we began teaching tithing from the "Covenant" foundation, it will transform hearers to doers, believers to receivers, and tippers to tithers! When you enter into a "sincere" agreement (covenant) with the Lord, He will keep His promise to you! Many that teach tithing put emphasis on the calamity caused from curses. Some teach tithing as a necessity to keep the church economy going. You should tithe because you want to honor God for allowing you to be a steward over His blessings that He has entrusted in your care. Tithing is not a dispensational doctrine (Law), but an eternal principle. Tithing is not a commandment, but a Covenant! I can prove it!
