## **Awakening: A Sufi Experience** Pir Vilayat Inayat Khan

Finally, the major work on the principals of Sufism and self-transformation by the beloved Sufi master Pir Vilayat.

From bestselling translations of Rumi to images in music videos, Sufism today is the subject of newfound fascination. Now, in the tradition of Thich Nhat Hanh's *Living Buddha, Living Christ*, the West's most venerated master of this ancient mystical tradition offers his long-awaited work on fostering personal change at the start of the new century.

In this bold and accessible work, Pir Vilayat takes us step-by-step toward a new form of consciousness, in which our way of seeing the world around us expands in concentric circles until we are looking through the eyes of the cosmos--or the eyes of God.

In *Eyes of God*, Pir Vilayat integrates ancient Sufi wisdom into our contemporary physical understanding of the world to provide a wholly fresh perspective that will change how we see both.

"Pir Vilayat is a source and a resource, a living bridge between East and West. In his eighties now, he keeps getting better! Pir is brilliant, and as lively a companion on the path as you're likely to find." --Coleman Barks

"Pir Vilayat uses words with healing magic to stimulate our growth and to entrain us in our growth to God. Fly home on his maps." --Rabbi Zalman Schachter-Shalomi
