Words from the author:

"I speak from personal experience when I say the guitar can be a confusing and frustrating instrument.

I couldn't play music to save my life for years.

Eventually I forced myself to read and practice so much that I came to understand how the guitar works.

I got to that fluid state where playing is pure bliss

I don't want you to have to force yourself, like I did.

I want it to be easy for you to learn to play.

This book is your first-class ticket to the pure bliss of playing guitar like a pro.

All the best,  
Scott J. Harris"
