Kurt Cobain's Transparent Soul and the Existence of God Julio Extra

Nirvana's MTV Unplugged performance in 1993 was one of the greatest musical performances I have ever seen. Without understanding much of the lyrics or the adult themes that were being conveyed, through emotion or something else we can't explain yet I was still able to feel what he was able to convey. Which makes you wonder if there is more to life, the universe, than what can be visibly observed.
