**The Driver (John Milton) (Volume 4)** Mark Dawson

**John Milton had started to hope that he might have a future.**

He has a job driving a taxi around the streets of San Francisco. He has his anonymity and his solitude. Being invisible has become a comfortable habit. He doesn't want to be found. But when a girl he drives to a party goes missing, Milton is worried. Especially when two dead bodies are discovered and the police start treating him as their prime suspect.

Milton is a fugitive from the British Secret Service and a man in his position needs extra attention like he needs a hole in the head.

As unpleasant secrets leak out, and the body count rises, one thing is for sure: Milton might just be the right guy in the wrong place at the wrong time.

**The Driver is a taut, nail-biting adventure which once again stars Mark Dawson's irresistible hero, the maverick ex-MI6 assassin John Milton.**
