## **The Motorcycle Safety Foundation's Guide to Motorcycling Excellence: Skills, Knowledge, and Strategies for Riding Right (2nd Edition)** Motorcycle Safety Foundation

Here is a book for the motorcyclist who wants to do it right! The most complete, authoritative book ever published on safe riding techniques and strategies. More than one million students have completed courses developed by the Motorcycle Safety Foundation, and this book is the culmination of what that leading rider training organization has learned about teaching students of all ages and experience. It is the perfect refresher for anyone who has taken an MSF course and will be an eye-opener for those who have not yet discovered them. In a clear, engaging style with detailed diagrams and extensive full-color photographs and illustrations, the book covers rider attitude, proper dress, performance, maintenance and troubleshooting, as well as basic and advanced street skills. Included are tips on how to stop quickly when necessary; avoid traffic hazards; apply evasive maneuvers; countersteer for better control; travel skillfully in a group; identify and fix mechanical problems; ride more smoothly at high and low speeds; maintain momentum in off-highway riding; and much more. A remarkable source of riding wisdom, the first edition has been a best-seller and the definitive reference for the sport. This new second edition features the latest insights from the new, updated MSF curriculum, plus all new photos and graphics that make its valuable lessons easy to follow.
