If you are a teenager, you know that sexual feelings can be powerful. However, the deepest desire of your heart is not sex, but real love. People who feel unloved, lonely, unappreciated, and unvalued will do all kinds of things--often things that are harmful to themselves--to try to fill their need for real love. In this study, you'll learn about five love languages and how to speak them and receive them when relating to family, friends, and those you date. (5 session small-group Bible study)
