She was Abducted from Her Home Planet... and Became a Goddess

Plucked from the planet she calls home, Kelli finds herself on a bed of mink and a beautifully soft mattress. After a night of drinking, something that told her this would not be a normal 'morning after' – only to have those feelings confirmed when she's confronted by an alien – **and alien that wants to take her home and worship her as a sex goddess.**

Not just him; his whole planet.

But Dite and his colony-mates aren't the only people out after her. The Morg, a fearless beast who seeks her for himself, is on their trail, and gaining fast.

Will Kelli shirk from the opportunity in order to preserve herself? Or will she take the Morg head on and drive her hosts into a new age of prosperity?
