Bunny Williams On Garden Style Bunny Williams

First published in 1998, *On Garden Style* established Bunny Williams as a reputable expert on gardens. In *Bunny Williams on Garden Style*, Williams visits impeccably designed gardens around the world, shedding light on the key components that make a garden so appealing and idyllic. For Williams, gardens offer an escape, and she imparts vital information on how to envision your garden and design a space that translates into a lush sanctuary reflecting your taste and style. Once you've imagined your garden, Williams offers advice for bringing it to fruition—the garden structure, furnishing the space, and establishing an aesthetic. The book also includes plant lists, a reading list, and more. Filled with new photography of spectacular gardens, this latest volume is both a wonderful inspiration and a practical guide to gardening from one of the world's most renowned design experts.
