## **Hillcrest Medical Center: Beginning Medical Transcription Course** Patricia Ireland, Mary Ann Novak

This best-selling transcription book is now printed in full color, enhancing the anatomical illustrations presented. The book and practice software create a simulation approach, giving learners a working knowledge of the medical reports most commonly used in hospital and ambulatory care settings. Learners transcribe a variety of reports from inpatient case studies taken from actual medical reports. Organized by body system, reports transcribed include history and physical examination, operative, pathology, radiology, and discharge summary.
