The Cisco Certified Networking Associate (CCNA) certification is an entry-level certification, or what Cisco calls an associate-level certification. Career-changers and new entrants into the world of networking often choose the CCNA as a stepping stone toward a new career, and is the first step towards Cisco's professional level certifications.

CCNA Certification Roadmap: CCNA certification can be gained by passing a single test, 640-801, or both 640-801 and 640-822.
