Rise to Power (The David Chronicles) (Volume 1) Uvi Poznansky

Here is the story of David as you have never heard it before: from the king himself, telling the unofficial version, the one he never allowed his court scribes to recount. In his mind, history is written to praise the victorious—but at the last stretch of his illustrious life, he feels an irresistible urge to tell the truth. In the first volume, *Rise to Power*, David gives you a fascinating account of his early years, culminating with a tribal coronation. Rooted in ancient lore, this is a surprisingly modern memoir.

In an era of cruelty, when destroying the enemy is deemed a sacred directive, the slayer of Goliath finds a way to become larger than life. His search for a path to power leads him in ways that are, at times, scandalous. Notorious for his contradictions, David is seen by others as a gifted court entertainer, a successful captain in Saul's army, a cunning fugitive, a traitor leading a gang of felons, and a ruthless raider of neighboring towns who leaves no witnesses behind.

How does he see himself, during this first phase of his life? With his hands stained with blood, can he find an inner balance between conflicting drives: his ambition for the crown, his determination to survive the conflict with Saul, and his longing for purity, for a touch of the divine, as expressed so lyrically in his psalms and music?

From reader reviews:

Manuel Jett:

What do you think about book? It is just for students since they are still students or this for all people in the world, what best subject for that? Simply you can be answered for that concern above. Every person has various personality and hobby for each and every other. Don't to be pressured someone or something that they don't would like do that. You must know how great and important the book Rise to Power (The David Chronicles) (Volume 1). All type of book could you see on many sources. You can look for the internet solutions or other social media.

William Smith:

What do you about book? It is not important with you? Or just adding material when you need something to explain what yours problem? How about your free time? Or are you busy individual? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have spare time? What did you do? Every person has many questions above. They have to answer that question since just their can do that. It said that about e-book. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this particular Rise to Power (The David Chronicles) (Volume 1) to read.

Beatrice Rogers:

Nowadays reading books become more than want or need but also work as a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book that improve your knowledge and information. The data you get based on what kind of e-book you read, if you want attract knowledge just go with knowledge books but if you want sense happy read one together with theme for entertaining such as comic or novel. The particular Rise to Power (The David Chronicles) (Volume 1) is kind of publication which is giving the reader erratic experience.

Marian Knight:

People live in this new time of lifestyle always aim to and must have the time or they will get lot of stress from both day to day life and work. So , once we ask do people have spare time, we will say absolutely yes. People is human not really a huge robot. Then we question again, what kind of activity do you have when the spare time coming to anyone of course your answer will probably unlimited right. Then do you try this one, reading books. It can be your alternative with spending your spare time, the particular book you have read is actually Rise to Power (The David Chronicles) (Volume 1).
