Realms Foul and Forgotten

Down neglected roads or beyond hidden doors lie places in the World of Darkness that are best left unknown. These mysterious locales, tainted sites and corrupt settings all bear the mark of some unmentionable crime or horrific transgression. Ordinary people go ignorant to the existence of these places, all the better to preserve their mortal, fragile minds. The wary, brave or foolish glimpse the truth and can't turn away, and challenge their very fate by setting foot on unhallowed ground.

Best Left Alone

World of Darkness: Mysterious Places presents nine eldritch and bizarre settings for your Storytelling System chronicle. While designed for exploration by mortal characters straight out of the World of Darkness Rulebook, these places can also be discovered by vampires, werewolves or mages. The question isn't who finds them, but whether they can get out again. Hardcover.
