"The Dime series" has been written specifically for Caribbean secondary schools by a team of highly experienced Spanish teachers. It deals with the regional practicalities of learning Spanish for a Latin American context and provides a comprehensive foundation for students at the lower secondary levels up to and including those sitting Spanish at CSEC level. "The Dime Tanto Mas Workbook" is a brand-new addition to the series for CSEC level. It is an excellent companion to the Student's Book and includes: exercises closely linked to the CSEC syllabus content; clear instructions so that students can work comfortably on their own; a general/overall review consolidating all the grammatical elements and relevant vocabulary; and, a companion CD with listening passages, recorded in Kingston, Jamaica.
