Filming God: A Journey From Skepticism to Faith Darren Wilson

Filming God recounts the three-year journey of filmmaker Darren Wilson as he travels around the world, seeing for himself the supernatural realm of God with his own eyes, and meeting humble, loving people who walk in the supernatural on an everyday basis.

Darren was a self-described skeptic about the supernatural before he had his own life-changing, miraculous encounter with the Lord. That experience led him to make Finger of God, through which he encountered incredible stories about modern-day believers receiving gold teeth, hanging out with Jesus in the flesh, resurrections, supernatural healings, and much, much more.

In these exciting and compelling stories, you will quickly realize that Jesus is alive and working today in people's lives--no matter your religious background. You may be forced to examine your own faith in light of what is possible on a day to day basis.
