**Kiss My Math: Showing Pre-Algebra Who's Boss** Danica McKellar  
**Read Danica McKellar's posts on the Penguin Blog.**

**The *New York Times* bestseller-from the "Dancing With The Stars" contestant and popular author of *Math Doesn't Suck*, *Hot X: Algebra Exposed*, and *Girls Get Curves*-teaches girls how to kick pre-algebra butt**

In her *New York Times* bestselling books, actress and math genius Danica McKellar shatters the "math nerd" stereotype and gives girls the tools to ace middle-school math in her unique, just- us-girls style. Now, in her second book, *Kiss My Math*, McKellar empowers a new crop of girls-seventh to ninth graders-to tackle the next level of mathematics: pre-algebra.

Stepping up not only the math but the sass and style, McKellar helps math-phobic teenagers moving up into high school chill out and finally "get" negative numbers, variables, absolute values, exponents, and more. As she did so effectively in *Math Doesn't Suck*, McKellar uses personality quizzes, reader polls, real-life testimonials, and stories from her own life-in addition to clear instruction, helpful tips, and practice problems-revealing why pre-algebra is easier, more relevant, and more glamorous than girls think. McKellar is clearly reaching her audience: parents, teachers, and especially girls are asking for more.
