Beth Ryder's dangerously sexy and seemingly all-powerful boss has disappeared, leaving an increasingly desperate group of Nolanders — and one inept Second — in charge of policing other-worldly activity across much of North America. What better time for a legendary monster to emerge from the Second Emanation and make New York City its hunting ground? But little does Beth know that dealing with the voracious Thirsting Ground will pale in comparison to a shocking betrayal that threatens to destroy her new life among the Nolanders.

Solatium is the second book of the Emanations series. The first book, Nolander, and a short story, "Theriac," are available at no cost on all platforms.
